EXECUTIVE SUMMARY

CONTRACT OVERVIEW

This Community Association Agency Agreement is between The Cottages at Dublin Ranch Villages (the "Association") and CJM Association Services, Inc. (the "Agent"), effective upon execution by both parties. The contract is primarily for management services under the Board's direction.

FINANCIAL TERMS

The financial terms, including fees, are outlined in section 2. Specific details on total cost, payment schedule, escalation, late fees, and deposits are not provided.

SCOPE OF WORK

- Included services: Management of the Association, operating fund maintenance, billing and collection of assessments, financial reporting, and emergency expenditures up to \$1,000.
- Exclusions: Legal advice and any actions contrary to governing documents.
- Missing performance standards: Detailed performance metrics or expectations are not stated in the agreement.

TERM & RENEWAL

The term starts as of the full execution of the agreement, but specific end dates and renewal conditions are not mentioned.

CANCELLATION

The contract lacks explicit termination-for-convenience and termination-for-cause terms, alongside any stated penalties for early termination.

INSURANCE & LIABILITY

Insurance coverage requirements and liability caps are not specified, as is the topic of indemnification.

VENDOR OBLIGATIONS

Key deliverables include managing financial administration and oversight, maintaining records, and providing reports to the Board. No specifics on subcontractors or licensing are provided.

NOTABLE STRENGTHS

- The Agent is required to implement the lawful decisions of the Board.
- Monthly financial statements and access to financial records for the Board are mandated.

NOTABLE CONCERNS

- Lack of clarity on pricing structure and specific financial obligations to the Association.
- Insufficient details regarding termination rights and insurance coverage.

RECOMMENDATION**VERDICT: NEGOTIATE BEFORE SIGNING**

. The contract needs clear financial terms and termination rights clarified.

1. Request to elaborate on pricing structure or payment terms, specifically in section 2.
2. Negotiate for clear termination-for-cause and termination-for-convenience clauses.
3. Include insurance requirements and liability caps explicitly within the agreement.

RUBRIC SCORES

CATEGORY	SCORE	MAX	NOTES
Price / Value	5	20	The contract does not specify prices or a payment schedule, which makes it difficult to assess value.
Scope Clarity	10	15	The scope of work is partially defined but lacks performance standards and explicit exclusions. <i>Under the paragraph beginning "Responsibilities and Agent's Services to Association".</i>
Term / Cancellation	5	15	The contract does not specify the end date or auto-renewal terms, leaving the term unclear.
Liability / Insurance	0	15	The contract does not mention any insurance requirements or liability caps.
Vendor Obligations	5	10	While some obligations are mentioned, specific performance metrics and subcontractor details are absent. <i>Under the paragraph beginning "Responsibilities and Agent's Services to Association".</i>
Payment Terms	5	10	The contract is vague regarding payment terms, making it unclear how and when payments will be made.
Compliance / Doc Completeness	5	10	The contract lacks completeness in terms of compliance with state laws regarding specific obligations.
HOA Flexibility	15	5	The contract provides some flexibility to the HOA through Board approvals for expenditures, but lacks clarity on other operational decisions. <i>Under the paragraph beginning "Emergency repairs involving imminent danger to life or property..."</i>

RISK FLAGS**Financial Clarity** **HIGH**

The absence of defined pricing and payment terms presents a substantial risk to financial planning.

Suggested fix: Negotiate for detailed financial terms and clear payment structure.

Termination Rights **MEDIUM**

Lack of explicit termination provisions could lead to challenges if termination is necessary.

Suggested fix: Add clear termination-for-convenience and termination-for-cause clauses.

QUESTIONS FOR THE VENDOR

Can you provide a breakdown of the fees and payment structure involved in this contract?

Financial Management

What measures do you have in place to meet the insurance and liability requirements for managing the Association?

Insurance & Liability

NEGOTIATION POINTS
